APPEAL FOR CYCLONE RELIEF FUND

The Congress Working Committee is greatly concerned to learn about the havoc caused by the cyclone on the 27th and succeeding days of October 1949 in Andhra Desh. In addition to the cyclonic wind blowing at a speed of 85 miles per hour there was also a tidal wave, which rose to 20 feet high at places and breaking at ten feet height innundated the coastal area a hundred miles long extending to a distance of six miles inside. There was over and above this a downpour of 20 inches rain in one night. Hill streams were flooded and burst tanks and canals and caused complete innundation of a vast areas covered by the paddy crop. This triple havoc resulted in destroying mango topes, plantain, orange and cocoanut gardens and garden crops. The paddy crop submerged by the tidal wave was totally destroyed ; while in the remaining areas it was badly damaged. According to official estimates 780 people died, 2,63,150 houses were destroyed, 30,120 cattle were washed away, and crop on 4,68,000 acres of land was completely lost. In addition to this damage thousand of cocoanut trees that have survived, have their tops twisted so that no crop can be got from them at least for three to five years to come. Actual damage is certainly more and cannot be correctly estimated owing to lack of communications. The loss of life and property is immense. In spite of the relief work undertaken by the Government of Madras it will not be possible to give full aid to the sufferers except through an organised unofficial relief fund. H.E. the Governor of Madras will be shortly inaugurating a Relief Fund pooling all non-official contributions. The Working Committee appeals to the charitable institutions, social service organisations and individuals to send their contributions and collections to His Excellency the Governor of Madras or to General Secretary, A. I. C. C., 7, Jantar Mantar Road, New Delhi, who will forward the same to the proper quarters.

12 Dec 1949
CONFIDENTIAL BRANCH

My dear Reddi,

Cyclone - October 1949 - Madras Province - Andhra districts - Relief - Appeal for funds.

You are aware that a cyclone of great severity swept across the Northern Andhra districts of this Province, viz., Visakhapatnam, East Godavari, West Godavari, Krishna and Guntur towards the end of October 1949 and caused unprecedented havoc and suffering. Thousands of homes have been destroyed and large numbers of people rendered homeless. Crops, cattle and property worth several crores of rupees have also been destroyed. The enclosed copy of an appeal issued by my Government will serve to give an idea of how severe and extensive the damage has been. To relieve the widespread misery and suffering in the affected areas His Excellency the Governor has opened an Andhra Cyclone Relief Fund and has issued an appeal to the public for contribution to the Provincial Welfare Fund earmarked for cyclone relief. A meeting of the Governor's Andhra Cyclone Relief Committee was held at Madras on 28-11-1949 and the Committee decided that I should address the Hon'ble Premiers of other Provinces requesting them to open funds in their Provinces for relief work in the cyclone affected areas. I therefore request you to open a fund for the purpose in your State and to issue an appeal to the public of your State for contributions. I trust the appeal will meet with generous response.

Kindly see
9/12/49

Yours sincerely,

Sri K.C. Reddy,
Chief Minister, Government of Mysore,
Bangalore.

AN APPEAL

The public are aware that owing to heavy floods in the latter part of September, 1949 and a severe cyclone in the following month, widespread and severe damage was caused in the districts of Visakhapatnam, East and West Godavari, Krishna and Guntur and also in the districts of Nellore, Cuddapah, Kurnool and Bellary. The damage was particularly severe in the five districts first named. The floods and the cyclone together took a toll of 828 human lives. 35,000 cattle and hundreds of shppp and goats were lost. More than three hundred thousand dwelling huts and houses were either blown away altogether or partially damaged. Large quantities of harvested foodgrains were washed away. Very severe damage to standing crops is reported over an area of 17,33,000 acres. Cocoanut gardens have been so badly affected that there will be no yield from them for a ~~xxpxxxxxpx~~ couple of years or more. The damage to plaintian, turmeric and other crops has been no less severe. It has been estimated that the total loss in terms of money may well reach Rs.30 crores.

2. It is easy to imagine what severe privation and hardship have been caused--especially to the poor. Many of them have been rendered homeless and have lost all their belongings. It is necessary to help them rebuild their huts and replace their tools of trade, with which they may once again begin to earn their livelihood; they should be provided with the means of subsistence till they can stand on their feet once again. If these unfortunate men are to be saved from despair, the work of rehabilitation must be taken in hand at once and accomplished with speed.

3. The Government have sanctioned so far a sum of Rs.19,91,000/- from Provincial funds and Rs.35,000/- from the Krishna and Godavari Cyclone Relief Fund for the immediate relief of distress. They have also passed orders sanctioning interest-free loans to the stricken cultivators for the purchase of cattle, agricultural implements, etc. Supply of seeds, manure and water for raising a second crop wherever possible has also been arranged. Relief in the following forms is urgently required:--

(i) free supply of building materials and clothing;
(ii) fodder for cattle;
(iii) reclamation of damaged lands;
(iv) provision of house-sites for poor families on high-level lands not liable to inundation;
(v) free supply of nets and boats to fishermen and of implements of trade to poor members of artisan classes; and supply of agricultural implements/ /to the very poor/ tiller of the soil
(vi) lump sum grants to families who have lost their earning members;
(vii) means of subsistence till the next harvest, and
(viii) replacing of lost cattle.

4. It is clear that relief on a scale commensurate with the distress cannot be provided by the Government from public ... is ected

P.T.O.

issued an appeal to the public for contributions to the relief work. A fund called "Governor's Andhra Cyclone Relief Fund" has been opened. It will be part of the Provincial Welfare Fund and administered by a separate committee. Committees have been or will soon be formed in all the districts for collecting subscriptions from the public and for organizing relief. The Government of Madras appeal to all sections of the community throughout the Province to subscribe liberally to this fund. They trust that this appeal will meet with immediate and generous response. Contributions however small will help and will be gratefully accepted. They may be sent to "Sri K M. Rajarathnam, Treasurer, Governor's Andhra Cyclone Relief Committee, C/o, Imperial Bank of India, 1st Line Beach, Madras". Contributions earmarked for cyclone relief work may also be sent, in the districts, to the Treasurer of the local branch of the Provincial Welfare Fund.

***

P. S. Kumaraswami Raja,
3-12-49.
Premier of Madras.

APPEAL FOR ANDHRA CYCLONE RELIEF FUND.

The All India Congress Working Committee and Government of Madras have appealed to the country to make contributions to the Andhra Cyclone Relief Fund and the Government of Mysore are anxious that the people of Mysore should likewise make their contributions to the maximum extent possible. They trust that the public will respond generously to the appeal, and make their contribution towards the amelioration of a large section of the afflicted people of India.

The havoc caused by the Cyclone in Andhra Desha on the 27th October 1949 and succeeding days is too tragic for words. In addition to the cyclonic wind blowing at a speed of 85 miles per hour there was also a tidal wave, which rose 20 feet high at places and breaking at ten feet height, inundated the coastal area a hundred miles long to a depth of six miles in shore. Over and above this, there was a downpour of 20 inches rain in one night. Flooded hill streams burst tanks and canals and caused complete inundation of vast areas covered by paddy and other crops. All this has resulted in immense loss of valuable life and property. It is reported that the floods and the cyclone together took a toll of 828 human lives. 35,000 cattle and hundreds of sheep and goats were lost. More than three hundred thousand dwelling huts and houses were either blown away altogether or partially damaged. Large quantities of harvested food grains were washed away. Very severe damage to standing crops is reported over an area of 17,33,000 acres. Cocoanut gardens have been so badly affected that there will be no yield from them for a couple of years or more. The damage to plantain, turmeric and other crops has been no less severe. It has been estimated that the total loss in terms of money may well reach Rs.30 crores.

It is easy to imagine what severe privations and hardships have been caused especially to the poor. Many of them have been

rendered homeless and have lost all their belongings. It is necessary to help them to rebuild their huts and replace their tools with which they may once again begin to earn their livelihood and should be provided with the means of subsistence till they can stand on their feet once again. If these unfortunate men are to be saved from despair, the work of rehabilitation must be taken in hand at once and accomplished with speed. The Government of Madras have already sanctioned Rs.19,91,000 so far from Provincial funds. It is obvious that except through organised unofficial relief funds in every part of the country, it will be impossible through relief work undertaken by the Government of Madras alone to give full or even adequate aid to the unfortunate sufferers.

His Excellency the Governor of Madras has therefore opened an Andhra Cyclone Relief Fund earmarked for cyclone relief. The Governor's Andhra Cyclone Relief Fund Committee have requested this Government to open a similar Relief Fund in the State and to issue an appeal to the public of the State for contributions.

The Government of Mysore have, therefore, opened an Andhra Cyclone Relief Fund and appeal to all sections of the community throughout the State to subscribe liberally to this Fund.

Arrangements are being made by the Comptroller to Government for receiving contributions at all District and Taluk treasuries and the details of the same will be notified by him separately.

K. Venkatakrishnaiya
Chief Secretary to Government.

GOVERNOR OF MADRAS

GOVERNMENT HOUSE
GUINDY

20th December 1949.

Your Highness,

ANDHRA CYCLONE RELIEF FUND.

Your Highness is no doubt aware that very great havoc has been caused in the Andhra regions of this Province by the recent cyclone. Thousands of people have been rendered homeless and destitute and crops and cattle worth crores of rupees have been destroyed. The plight of the people in this region especially the poor is heartrending.

My Premier has already written to your Chief Minister on the subject giving details of the damage and requesting him to form a Committee for the purpose of collecting funds for Andhra Cyclone Relief. The collections could be sent periodically to the Premier of Madras who is the President of the Committee of the Andhra Cyclone Relief Fund or to the Treasurer of the Fund. I am sure that the disaster we have suffered has aroused Your Highness's sympathies and I am writing this letter to request you to use all your good offices in the formation of this Committee and in the collection of funds.

I apologise for this trouble but the calamity can only be considered as one of national scale and hence I am sure you will pardon me. With kindest regards,

Yours sincerely,

Sd. Krishna Kumar Sinhji

His Highness
Sir Sri Jaya Chamarajendra Wadiyar Bahadur, GCB.,GCSI.,LLD.,
Maharaja of Mysore.

P. Sri Rangarao,
RESEARCH SCHOLAR & PUBLIC WORKER,
MASULIPATAM.

Camp Bangalore city,
17th December 1949.

D24

To,
His Highness Maharaja Raja Sree,
Sree Sir Jayachamarajendra Wadiyar Bahadur, Varu., G.C.I.E.
Maharaja Of Mysore,
MYSORE CITY.

May it please your Highness,

Subject:- Andhra Cyclone Relief Fund-Donation requested.

I beg to humbly invite your Highness's kind notice that I had come eight years back to study the food situation here and sinc then collected valuable statistics and compiled a scholastic thesi on the procedure to be adopted with reference to food problem, whic is intended to be submitted for your Highness kind perusal.

Recently, as the Andhra Desha was subjected to severe cyclone in the month of Octoberlast which has been styled as a national calamity; to relieve the distress of the affected people and rehabilitate the devastated areas, the Hon'ble The Prime Minister and His Excellency The Governor General Of India have appealed for contributions to the relief fund. The Prime Minister headed the list of contributions with Rs25000/- besides the Governor General, the Governors of Bombay, West-Bengal, Bihar, Orissa, Assam & Madras have made personal contributions. Since the main granary for Rice in the Deccan Plateau has been affected every rice consumer indi-vidually, soceity and every state collectively will have to feel the cyclone consequences in these rationed food days.

Due to political pre-engagements, the Premier of Madras is not yet able to pay his visit to the affected parts. Since there is no full-fledged democratic peoples' Government in power in Madras, the congress party Government is adpoting half-hearted measures, and this being purely humanitarian cause, I very earnestly and humbly request your Highness to graciously and personally sanction generous sum for assistance and the same can be kindly sent to the Governor Of Madras.

Further, I request that kind instructions may be given to

(P.T.O.

the Hon'ble The Chief Minister of Your Highness' Government to take personal interest in this affair to form a Central Committee consisting of himself as the Chairman and a few others, under which similar Committees to form and function in districts and further to issue kind instructions to the members of the services to contribute their wilful (voluntary) contributions to the Relief Fund to which Your Highness' Govt. as well may sanction generous donation, and thus show the brotherly feelings that have been in existence for centuries past between Andhras and Karnatakas being products of the same culture, good friends and close neighbours.

I take privilege to suggest for Your Highness' kind consideration to visit the Andhra Delta and form an opinion how Rice, plantain and other Wet crops are grown there.

On the occasion of the Birth of the Princess Sri Gayathri Devi, I had sent my Greetings to Your Highness and Blessings to the Child-princess. With this appeal for assistance towards Cyclone Relief, I sent forth my prayers to God so that He may bless Your Highness with long life and members of the Royal Family with happiness and prosperity, and people in your State may have plenty of rains and be freed from food restrictions. Before long, I shall find some opportunity to come to Mysore and pay my humble Respects to Your Highness in person.

Thanking Your Highness very sincerely,

I beg to remain,
May It Please Your Highness,
Your Highness' most obedient
servant,

P. Sri Rangarao.

Dear Sir,

Subject. Andhra Cyclone Relief Fund--Donation From Government requested.

SECRETARIAT 4704 GOVT. OF MYSORE

Kind
I invite your attention to the severe cyclone that has overtaken ANDHRA-DESA and to relieve the distress of the affected people, H.E. THe GOvernor Of Madras and The General Secretary Of the Indian National Congress have appealed to the Public to contribute generously towards Relief Fund.

As this being a purely humanitarian cause and the urgenc for relief and rehabilitation of people and cattle spread over many districts, I request you to kindly move the Government Of H.H. The Maharaja Of Mysore to sanction generous donation and further to take personal interest for presiding over a public meeting for the purpose of raising subscriptions for the relief fund.

Thanking you very sincerely,

Yours faithfully,

P. Sri Rangarao.
